Dear Parent / Guardian,

Hibernian Community Club – Update June 2025

With summer holidays are just around the corner, I wanted to update you all before we close for the summer. Last official training night will be **Tuesday 24th June and official restart for astro bookings will be 4th August 2025.** Teams may decide to take shorter break, start preseason early or train longer and stop later. All we ask is team coaches keep us informed so we are aware of who is training and where about this will take place.

Player reviews.

Since the end of April, all team coaches have been given access to their individual team SharePoint to carry out player reviews in 1-2-1 meeting with player and parents.

Some teams have already completed this and meeting had been informative and productive with development plans in place.

Teams have been asked to have this completed by 26th June this having been 9 weeks to complete this task. If your team coaches have not carried this out yet, please message them to get a date booked in as its vital as a club we support players in their development

Next Gen/moving on

To any player moving on to Next gen or moving to a new challenge at another club, we want to wish you well and hope the move gives you what you are wanting from it.

Any player leaving must return the following kits:

Green top/shorts/footless green socks, (Hibs.net)

Purple top/black shorts /Black footless socks (Proclaimers – Girls teams) boys teams working on this
Black ¾ zip (HCC has community badge, number and sponsor)

Black backpack or boot bag (Not all teams have this, but if from a team that does, we need this back also.

Kit should be returned in good condition, as they are only a few months old.

Subscription should be up to date and once confirmation of kit returned either at training or dropped off to myself at Easter Road, Monday - Friday, only then we will cancel your club registration form. (This is in accordance with SYFA &SWF guidelines)

We have no intention of holding a player back if moving on, but we do need to have everything back asap and we can wish you well for the next part of the football journey.
