Dear Parent / Guardian,

Hibernian Community Club – Update July 2025

I trust you have all had a great summer so far, training will officially return on the 5th August 2025. Some teams have started preparations already which is great to see.

MCH

All players need to have an active MCH account, this is not only for subscription, but it carries emergency contacts as well as medical information. Subscriptions are paid over 12 months,

Fundraiser

We will soon be running the first of our club wide fundraiser with a Last Person Standing event.

Entry will be £10 per person; prize pot will be 40% of what we collect in from entry fee with the remaining amount going towards the HCF.

For those unfamiliar with the process, participants pick a team from a list of Premier league games. If your team wins, you enter the following week, but you can't pick the same team again. You remain in the competition as long as you keep picking the winner, if team draws or loses, you are OUT. This process continues until we have one winner (Further T&Cs are on MCH) The more people we have involved, the bigger the prizes pot! First pick is for the games starting 15th Aug 2025.

Social media

Every weekend we ask all the community team from 2018s & u10s up to 2011 & YPL coaches to share a photo from the game along with a few sentences or paragraphs of how it went. We cannot post scores from the small-sided games programme. We encourage all teams to get on board with this. If your team is not being featured, please speak to the team coaches.

We have 3 social media platforms under "Hibernian Community Club" you will find us on Facebook, Instagram, Twitter(X) please give us a like and a follow.

We want to use the platform more so we can promote the good work that's happening in the club and want all team to be showcased when they have played.

Teamer

As teamer is the main way to communicate for training and games, we recommend you use the app and have notifications turned on so you can respond asap. Coaches should not have to chase people to respond. If you decline, can you back it up with a message to the coaches to explain why missing. Coaches will be able to set team rules around teamer when the season starts (Cut off for games etc)

Child well-being

Just a reminder that you have all signed code of conducts as players, parents and coaches. Anyone who hasn't please get in touch with me and we can send the link to you.

If you have any Child wellbeing issues needing raised, please email safeguarding@hiberniancf.org.

New Women's team

We are delighted to announce a new women's team at the club, this allowing us to have a pathway for players to join at u10s and still be playing for the club as an adult. The team will compete in the SWF regional East league.

If anyone would like to sponsor this team in its inaugural season, then please get in touch.

Best Wishes,

PAUL DOIG
